EXPERIENCE

Krishang Technolab

Dec 2024 – Present

Full Stack Developer (MERN)

Ahmedabad, India

- Building scalable apps using **Next.js, React, TypeScript, Node.js, MongoDB** for modern web applications
- Developed SCM platform** with 15+ modules including RFQ, supplier, order tracking, and compliance workflows
- Implemented **JWT + RBAC** for secure role-based access across Admin, Supplier, and Buyer systems
- Improved performance by **30%** using TanStack Query + Redux Toolkit for optimized state management
- Adopted modular architecture, increasing development efficiency by **25%** across multiple features

Codage Habitation

Nov 2023 – May 2024

Web Developer

Ahmedabad, India

- Built responsive UIs using **React, JavaScript, Tailwind CSS** for multiple web applications
- Optimized UI performance and improved user experience with better component structure
- Collaborated with cross-functional teams to deliver features on time

PROJECTS

Enterprise SCM Platform

- Built SCM frontend using **Next.js, React, TypeScript** for scalable enterprise workflows and business operations
- Developed **15+ modules** including RFQ processing, supplier management, and order tracking systems
- Implemented **RBAC + JWT authentication** to manage secure multi-role access and permissions
- Used **TanStack Query + Redux Toolkit** for efficient state, caching, and API data handling

Multi-Utility SaaS Platform

- Built platform for **short URLs, QR codes, and smart bio pages** to support digital marketing workflows
- Enabled **analytics, UTM tracking, and link personalization** for improved campaign tracking and insights
- Developed high-converting **smart bio pages** with customizable layouts and user engagement features

Hospitality Summit Website

- Developed **SEO-optimized Next.js website** for a global event platform with fast loading performance
- Built responsive landing pages supporting registrations, multi-city events, and user engagement flows
- Improved performance, accessibility, and responsiveness across devices and screen sizes
